LIVE! 360SM is an event brought to you by the publishers of *MSDN Magazine*, *Visual Studio Magazine* (VisualStudioMagazine.com), *Application Development Trends* (ADTmag.com), *Redmond Magazine*, *Redmond Channel Partner Magazine*, and *Virtualization Review Magazine*; and the producers of Visual Studio Live! and TechMentor conferences. There was NOT one opportunity missed to encourage the participants to visit the exhibit hall at every break and during lunch... In fact, they created an environment where many conversations, lasting friendships and passing of knowledge was established with almost all of the participants. A great event for sure!"

"We love how the exhibitor hours are spread out at Live! 360. We would have brought more giveaways and collateral; we had great booth traffic!"
