

# Test drive the **Acer Chrome Tablet** For Free!

**Program Dates: October 22, 2018 – March 31, 2019**

Acer is offering K-12 schools across the country an opportunity to pilot the first Chrome OS tablet designed for education. The Acer Chromebook Tab 10 offers students a mobile, lightweight touch device on the same Chrome platform educators know and love for management, promoting engagement and collaboration for an immersive learning experience. Unlock touch and stylus functionality, a growing library of learning apps, VR and AR Expeditions and more with this offer. Limited quantities available and restrictions apply.
