Get One-On-One Face Time with the IT and Developer Community

LIVE! 360 is an event brought to you by the publishers of *MSDN Magazine*, *Redmond Magazine*, *Redmond Channel Partner Magazine*, and *Virtualization Review Magazine*; and the producers of Visual Studio Live! and TechMentor conferences. This event brings together Visual Studio Live!, an established and respected independent software conference, with three new industry events: Modern Apps Live!, SharePoint Live!, and SQL Server Live!.

LIVE! 360 delivers fresh content by qualified speakers and attendees in your desired audience segment. In addition to the education and networking opportunities offered to Live! 360 attendees, they also want to hear about innovative solutions that make their lives easier, and demand credible and unbiased information to build, buy and manage the development and IT processes within their organizations. This is a unique opportunity to get face time with the decision makers and influencers you want (and need) to speak to.
