**Visual Studio Live!** is dedicated to providing attendees real-world, practical information and training on cutting-edge techniques. The education and information on existing and soon-to-ship technologies compatible with .NET and Visual Studio will provide the information developers require to solve their development challenges.

Visual Studio Live! attendees demand credible and unbiased information to build, buy and manage the development process within their organizations. As advocates and users of components, RAD tools, lifecycle management solutions, and other technologies used to build enterprise software applications better and faster, Visual Studio Live! attendees are the most highly qualified potential customers in the market.

BY THE NUMBERS ▾

Over **1,500** total attendees joined us at a Visual Studio Live! conference in 2022 from more than **900** companies in over **36** countries across a wide range of industries.
